Subject: Associated Asphalt
Henry Hoffman Landfill

Dear Mr. Altur:

Per our conversation on August 5, 1993, enclosed are three photographs of the tanks and leaking drums which belong to Associated Asphalt, along with a Potential Hazardous Waste Site Identification Form (EPA Form 2070-11). Associated Asphalt is located next to the Henry Hoffman Landfill site. Associated Asphalt is not on the CERCLIS list.

Also enclosed are the changes made to the Henry Hoffman Landfill Implementation Plan.

If you have any questions, please feel free to call me at (312) 683-7829.

Sincerely,

B&V WASTE SCIENCE AND TECHNOLOGY CORP.
